Dear Paul,

In reference to your letter regarding legal action concerning Harold J. Murray, this individual has not yet been charged with any crime. My report to you was based upon a report from the juvenile officer for the Hagerstown City Police Department. He could not tell me when his investigation would be completed or when legal action would be taken. I will keep you informed on this matter.

Since the Post that Mr. Murray was registered with did not recharter he is no longer registered with the Boy Scouts of America. Therefore, I have not given him a letter indicating his suspension from the Boy Scouts of America.

Sincerely yours,

David D. Pool
Scout Executive

Dear Dave:

Thank you for the material previously sent concerning the above named individual. We would like to have the outcome of legal action once this is completed.

If you have not sent Mr. Murray a letter suspending him from the Boy Scouts of America, I would suggest that you do this. This would then put into the files that he had been notified that he could not register or participate at this time with the Boy Scouts of America.

Thanks for your help in protecting the youth of America.

Sincerely,

Dear Dave:

Thank you very much for the information recently sent to us concerning the above named individual. This is most helpful and will enable us to identify Mr. Murray should he attempt registration at another location. We would like a document with his signature, if you have this available, as this aids in the identification process.

We would like to have the outcome of the investigation once this is completed. If he is to be brought before the legal system, the outcome and sentencing would strengthen our file.

Thanks for your help in protecting the youth of America.

Dear Paul,

On October 27, 1988 at 2:00 P.M. a reporter for the Herald-Mail newspapers in Hagerstown tipped me that one of our volunteers was under investigation for child abuse.

A call that afternoon to the Hagerstown City Police confirmed this allegation. Juvenile Investigation Officer William Rourke told me that he was investigating a former volunteer with a computer explorer post and that the individual had admitted to being a pedophile and using the explorer post to come into contact with kids.

My secretary remembered a call from Officer Rourke inquiring about Harold J. Murray and his involvement with the computer post chartered to I.B.M. Officer Rourke had indicated that someone in my office might know who he was investigating because of an inquiry he had made earlier.

Because of this information I am submitting the attached confidential record sheet.

Sincerely,

David D. Pool
